

WINE ROSE TASTINGS DO “LITTLE VINTAGES” EXIST AT DRC? (1970s - 2000s)

The wines of Domaine de la Romanée Conti stir the passion of every enthusiast—not only for their rarity but also for the sublime aura that surrounds them. Plots ranked as “tête de cuvée” by Jules Lavalle, already classified as such a century ago (1855), exceptional savoir-faire... everything comes together to create some of the most dazzling wines on the planet.

But how does a great terroir express itself in challenging vintages, or so-called “winemaker’s years”?

Our evening will feature several great Pinot Noirs aged between 20 and 50 years, focused almost exclusively on vintages that gave Hubert, Lalou, and their respective successors a real challenge.

Welcome to St.-Saphorin for an evening that proudly announces itself as exceptional, thanks to the meticulous work done at the Domaine and the impeccable provenance of the bottles.

A beautiful excuse to celebrate 10 years of Wine Rose and “set the lake on fire”!

PROGRAM

Tasting of 12 wines from Domaine de la Romanée Conti (see listing below)

Note:

Due to the rarity of the bottles, there will only be one bottle per wine. In the event of cork taint or aromatic deviation, the wine will not be replaced.

Preferred knowledge: A deep love for Pinot Noir... in its most classical expression!

Tips to make the most of the event:

Given the richness of the program, we recommend reserving your entire evening for the tasting and having a light bite beforehand... until we share a friendly plate together.

After the tasting:

A meal inspired by the evening’s theme will be served informally. Please notify us of any food allergies when registering.
